## FIDIC Africa 2021 Sponsorship Opportunities

The Annual FIDIC Africa Conference is one of the important events for Consulting Engineers in the African diaspora, attracting engineering practitioners, built environment professionals, governments, state-owned entities, property developers, funding agencies, contractors, and suppliers to our industry from at least 17 countries across the Continent. It further serves as an excellent platform for likeminded people across the globe, to join in the pursuit of African Partnerships for mutual benefit in a win-win collaboration of interests.

FIDIC AFRICA is requesting your support in making the envisaged conference and engineering capacity building initiative a success. Opportunities are available for a wide range of sponsorships, namely:

1. FIDIC Africa 2021 Conference Gold Sponsor: (USD 4,000) – EXCLUSIVE partner.
2. FIDIC Africa 2021 Conference Silver Sponsor: (USD 2,000).
3. FIDIC Africa 2021 Conference Bronze Sponsor: (USD 1,000).

### Conference Objectives:

#### ***Are African consulting engineers ready to change Africa into the global powerhouse of the future?***

Kindly support the wider community as they discuss the following issues and possible solutions:

- The Role of the consulting engineer in a changing world – the African perspective
- Ethical dilemmas in project implementation
- Challenges and disruptions — engineering consultants' experience
- Project procurement and delivery
- Agenda of infrastructure and social development

“Engineers’ participation is critical for protecting infrastructure development that could fast-track Africa’s economic growth and rapid transformation on the continent.”

If you are interested in any of the above sponsorship opportunities or would like to discuss anything further then please contact Godfrey Ramalisa, at [godfreyr@cesa.co.za](mailto:godfreyr@cesa.co.za) or 079 491 7020
